

Midwest Equine Sales Addendum to Consignors Contract

RE: ABSOLUTE SALE (AS icon) (No Reserve)

It is understood and agreed that Consignment Agreement #4-NO SALE FEE is hereby waived upon signature below of consignor or authorized agent. As the specified horse(s) will sell without a reserve and #2-Commission will be fully applicable on the final bid. However, against our recommendation should any horse(s) in fact be repurchased direct or indirect a 10% penalty commission (or minimum \$250) will be charged. MES Reserves the right to exclude this feature on future consignments.

In consideration and support for this sale feature, Midwest Equine Sales agrees to reduce Entry Fee by \$50.00 per horse. Stable Discounts in addition will be honored. Maintaining the integrity of this feature is the key to its success.
